BEAUCARE[®]

Better Value. Personal Service. Trusted Partner.

Beucare are 100% professional, very competitively priced and most importantly, extremely friendly to deal with. I would highly recommend them for ALL your care home needs. I can honestly say nothing is ever too much trouble, whether it be advice on suitable and available equipment, general supplies for a care home or installing a rise and fall bath system.

Rest Haven Nursing Home

Brad is the best engineer we've ever had. Nothing is too much trouble, he's really helpful and knowledgeable, and he's always on hand to answer our questions. Really happy with the service he gives, long may it continue.

St Saviours Care Home

Having worked with Beucare for many years, I have received outstanding service and value. They have always gone out of their way to ensure that our interests are a priority. I would recommend all aspects of their servicing and for purchases of equipment.

PRODUCT PURCHASING SIMPLIFIED

Simplify your business's ordering process with Caresource. By opening a credit account with us, your chosen partner, you will gain access to our portal, meaning you can place your orders with ease.

I think the portal is brilliant. The process is quick and easy, and you can choose a delivery day that doesn't conflict with other deliveries.

In the event that I am stuck with anything, Rachel is still available to help me out.

TRAINING & COMPLIANCE

Our training team can support you on our full product range from medical equipment to hygiene/janitorial information and compliance. We are proud to be able to offer this service enabling you to provide consistent and knowledgeable care.

We would like to thank Beaucare for supporting us to risk assess and train one of our team to hoist a day service user with complex physical disabilities to access swimming.

From the initial inspection of the equipment, to training and shadowing, they followed the same values we hold as an organisation, seeking to remove the barriers disabled people face in our community.
