

We Are More Than **A Company**

Beaucare are dedicated to providing
exceptional **support and care**

MEDICAL EQUIPMENT | SERVICE & MAINTENANCE | HYGIENE PRODUCTS

We are passionate about what we do

Beaucare is more than just a company, we are passionate about what we do. We focus on giving you the best value and support so you can trust us as a reliable partner, dedicated to helping your business thrive.

We are a nationwide, award winning, multi sector supplier, specialising in Medical Equipment, Service and Maintenance and Hygiene Products. With a trusted 30 year history, we have built strong relationships with suppliers and manufacturers, enabling us to bring our customers specialised products at competitive prices.

Our experienced Account Managers make it a priority to get to know your organisation. As product and service experts they are on hand to advise and support you giving you a personal service.

"Having worked with Beaucare for many years, I have received outstanding service and value. They have always gone out of their way to ensure that our interests are a priority. I would recommend all aspects of their servicing and for purchases of equipment."

Our values

Beaucare provides exceptional value to customers by offering high-quality, affordable products and services tailored to your industry.

Better value

Beaucare's skilled nationwide engineers are adept at servicing diverse equipment brands, which means customers don't need to hire multiple specialists for different equipment types. This streamlined approach not only saves time but also significantly reduces costs.

Trusted partner

With years of experience in the healthcare and hygiene sectors, we've earned the trust of businesses across the UK, offering reliable solutions that you can count on.

Go beyond the expected

At Beaucare, we don't just meet expectations, we exceed them with a commitment to providing exceptional service and support to all our customers.

Personal service

Our team is dedicated to providing you with personalised support, ensuring that your unique needs are met with care and attention.

Experts in our field

Our industry knowledge allows us to offer expert advice and innovative products, helping your business stay at the forefront of care and hygiene standards.

Benefit from a customised pricing structure, offering discounted rates on essential products compared to our publicly listed prices.

Customise your delivery days

We work with you to establish consistent delivery schedules, ensuring your business receives supplies promptly and reliably.

Safety, Comfort & Care

Our friendly team are always on hand to advise and support you **hassle free** – but don't just take our word for it...

Here are some testimonials from
our wonderful customers

"Wow! Just when I thought your work couldn't get any better. Thank you for always doing that extra bit and ensuring we are always able to meet our residents needs. Exceptional service from our supplier."

"Excellent customer service from a great team. Extremely helpful and very professional. Totally reliable with a fantastic range of quality products."

"The customer care is brilliant. The team are always ready to help and quick to respond to queries or sort out an urgent order."

Medical Equipment

With 30 years of experience working with specialist manufacturers, we provide a wide range of medical equipment to meet the needs of your residents. The products we supply are designed to give both the resident and the carer the best experience in terms of comfort and ease of use.

Profiling Beds and Mattresses

Our broad range of profiling beds, mattresses, bed rails, bumpers, and accessories are all designed to enhance resident care and well-being while meeting regulatory standards. Our team will help you find the perfect solutions tailored to your facility's requirements.

Moving and Handling

We provide everything you need to empower both patients and staff, with a comprehensive range of quality slings, hoists, slide sheets and handling belts that lead the field in safety and innovation.

Assisted Bathing

Our range of baths offer stylish and practical solutions. All products are WRAS approved and include bath fill and shower systems with a battery back up facility in case of a mains power failure. We build to order, to ensure a high quality finish.

Mobility

A feeling of mobility is so important in contributing greatly to the feeling of health and quality of life. Beaucare supplies a wide range of products to support mobility in patients, including baths, wheelchairs, walking aids, walkers and access ramps.

Interiors and Furniture

Our products are designed with both comfort and ease of use in mind, ensuring functionality is seamless for users. Our specialist ranges focus on reducing stress and anxiety by providing stability and durability. From bedrooms and bathrooms to dining and living spaces, we offer high-quality products for every room.

We also provide innovative solutions for individuals with dementia, including clocks, menu boards, and memory boxes, all crafted to enhance daily living.

Our goal is to help people feel at home, regardless of where they receive care.

Bedroom

We supply a fantastic choice of interiors for bedrooms, enabling you to make a resident's room as comfortable, welcoming and safe as possible.

Dining Room

Made to a high standard and competitively priced, our dining room furniture and accessories should be high on your list for your care setting.

Bathroom

Our range includes a wide variety of baths, commodes, and other bathroom aids and accessories that help to prevent accidents like trips and falls.

Living Room

Our aim is to make this important space feel like home for residents, adding all the furniture and interiors you'd expect, from comfy armchairs and sofas to tables and sideboards.

Dementia

Our dementia focused bedroom furniture and accessories have been specially designed to enhance personal living quarters. We incorporate soft rounded corners and large scoop detailing to ensure our products are user friendly.

Linen

We're pleased to supply a fantastic choice of linen products for use in the bedroom, dining room, and bathroom. Incredibly durable, you can rest assured that our products will stand the test of time.

Other popular categories

Beaucare offers a wide range of products to ensure your facility remains clean, compliant, and well-equipped for everyday needs. From our cost-effective cleaning products to medical equipment and personal hygiene supplies, we cover every aspect of maintaining a high standard of care.

With an extensive range that includes janitorial supplies, infection control products, waste management solutions, and PPE, we're your trusted partner for comprehensive facility management. Our expert team is here to help you find exactly what you need to meet regulatory standards and create a safe, welcoming environment for staff and residents alike.

Cleaning Chemicals

We offer a wide range of cleaning chemicals, including ready-to-use formulas, concentrated solutions, and eco-friendly options.

Patient Care

We stock everything from bathing and oral hygiene supplies to wipes for keeping patients clean and hygienic throughout the day.

Nursing Consumables

Our range includes essentials from PPE such as face masks, gloves and aprons to first aid, wound management, syringes and needles alongside patient care basics.

Continence Care

The complete range incorporates different absorption capacities and various sizes to leave all skin types feeling fresh.

Fall Protection

Our innovative range aims to reduce accidents and strain on carers through fall prevention and patient monitoring technology.

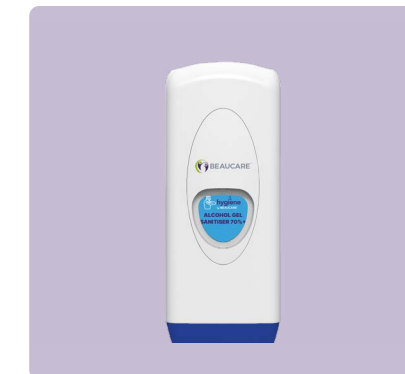

Medicine Storage

Our storage solutions are suitable for a variety of medicine storage needs, including monitored dosage systems, and the management of controlled drugs.

Dementia

We offer a diverse range of products specifically designed to support individuals affected by dementia, helping to improve their daily lives, enhance safety, and promote comfort and well-being for both residents and caregivers.

Infection Control

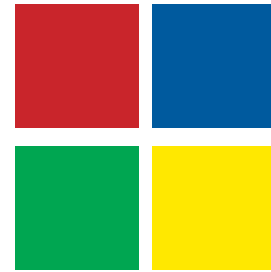

Infection control is key in preventing the spread of infection in healthcare settings. At Beaucare, we stock a broad range of infection control products, from hand sanitisers and surface wipes to bleach and biohazard bags.

Housekeeping Essentials

We supply everything from mops and brushes to vacuum cleaners, bins, and rubble sacks. We've carefully selected products that not only perform to a high standard but that are durable enough to withstand heavy demands.

CareClean™

Our CareClean concentrates are designed to simplify and optimise your cleaning processes. With our easy to follow colour-coding system, you'll always know which product to use and where to use it, ensuring thorough, effective cleaning every time.

Why Choose CareClean?

- **Effortless Identification**

Each product is colour-coded for specific areas and tasks, making it easy to use the right cleaner in the right place – no guesswork involved.

C1 Catering Cleaner Sanitiser

Tested to BSEN1276 & 14476.
Kills up to 99.999% of bacteria.

- **Simple & Effective**

Just a small amount of concentrate goes a long way. CareClean is formulated to provide powerful cleaning in minimal doses, making it easier for your staff to use efficiently.

C2 Catering Degreaser

Phosphate Free Formula.
Biodegradable.

- **Cost-Effective Solution**

By using less product per application, you'll enjoy lower costs without compromising cleanliness or compliance standards.

G1 Multisurface Cleaner & Sanitiser

Neutral daily cleaner and disinfectant with a popular violet fragrance.

- **Lower Overall Expenditure**

CareClean helps you control supply costs while maintaining high standards, perfect for keeping your budget under control.

T1 Multisurface & Floor Disinfectant

Multi purpose. Virucidal and Bactericidal. Leaves a long lasting fragrance.

Discover how CareClean can simplify and improve your facility's cleaning routine while supporting a cost-effective cleaning approach.

W1 Washroom Cleaner Sanitiser

Tested to BSEN1276 & BSEN13704.
Kills up to 99.999% of bacteria.

Training & compliance

Our dedicated training team is here to support you across our full product range, from medical equipment to hygiene best practices and compliance guidance. We ensure your team understands the correct dosages, product applications, and cleaning protocols to optimise efficiency. Proper training not only enhances safety and cleanliness but also prevents wastage, saving you time and money.

Service & Maintenance

When it comes to your equipment, our nationwide team is only one call away to keep your teams compliant, up to date and safe.

Nationwide Coverage with our Engineers

Fast, Reliable Support Across the Country

With our engineers based nationwide, you can rely on swift and professional service wherever you are, reducing downtime and keeping your facility running smoothly.

Cost-Efficient Services

Save on Maintenance & Repairs

Our competitive service packages are designed to help you reduce costs by preventing breakdowns and extending the life of your equipment, allowing you to allocate your budget more effectively.

Digital Recording & Reporting

Instant Access to Clear Service Records

Our digital reporting system gives you updates on all maintenance work completed without having to wait a long time for paperwork to be processed.

Comprehensive Equipment Coverage

One-Stop Service for all your Equipment

From hoists and beds to baths and scales, we can service a wide range of equipment type from all major manufacturers, saving you time and effort by having a single trusted provider for all your maintenance needs.

Dedicated Account Managers

Personalised Service for Easy Communication

Enjoy the convenience of a dedicated account manager who understands your facility's specific needs. This ensures quick responses, tailored advice, and a seamless, hassle-free experience.

Ensure Safety & Compliance

Keep your Equipment Safe and Compliant

Our expert servicing ensures your equipment adheres to regulatory standards (LOLER & PUWER), giving you peace of mind that your residents and staff are using safe, compliant equipment at all times.

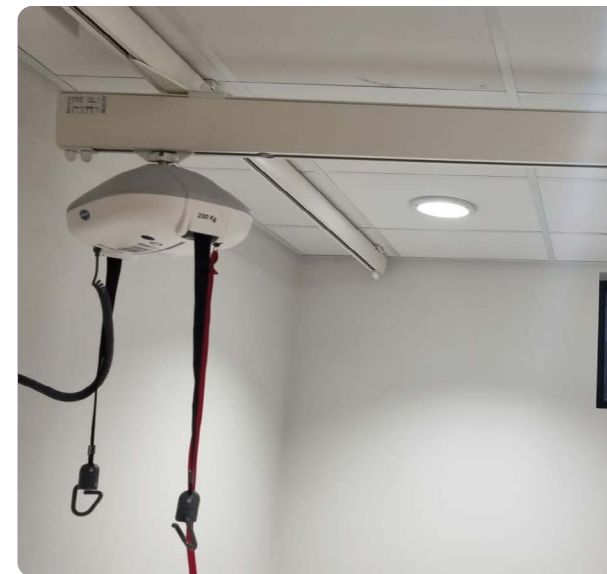

LOLER

Our dedicated Account Managers will work with you, keeping track of your records and reminding you of any upcoming LOLER expiration dates. Full certification details are provided whenever you need them.

Bed & Mattress Inspections

Our proactive inspection services help care homes stay compliant with health and safety regulations, extending the lifespan of equipment and giving peace of mind to both staff and residents.

Ceiling Track Installations

Our team works closely with care facilities to design and install ceiling track systems that maximise mobility, enhance comfort, and support the safety of both residents and caregivers.

Bath Installations

We're committed to making your bath installations hassle free, ensuring long lasting results. With a free site survey, we assess every detail upfront, helping you avoid unexpected costs or delays.
